APPOINTMENT GUIDELINES

We believe in the value of clear communication, as well as mutual understanding and respect prior to treatment rendered. It is our desire to provide high-quality dental care and individual attention for you in a timely manner. Your appointment time has been reserved especially for you and we make every effort to remind patients of their appointment as a courtesy. Therefore, if you break an appointment without 24 hours' notice, we do not have sufficient amount of time to rebook another patient in need of treatment. With this in mind, a **$50.00 fee may be subject to the second missed appointment or cancellation less than 24 hours from you scheduled time.** This fee must be paid in full prior to any further appointment(s) scheduled.

(Initial)

FINANCIAL & DENTAL INSURANCE GUIDELINES

Any monies due directly from the patient for services rendered are due in full at the time of service unless other arrangements are made in advance. We accept all major debit/credit cards, cash and checks. There will be a **$35.00 service charge** on all returned checks.

Understanding Dental Insurance is complicated for both the insured and the Doctor. When a patient gives us an insurance card we call the insurance company to get your benefit information-usually in the form of a fax which contains basic benefit coverage.

When we put together a treatment plan for needed dental work diagnosed by the Doctor, we are basing the patient portion off of the information provided by your insurance company. As a courtesy to our patients we will collect your estimated co-pay in full at the time of service and bill the insurance directly for their estimated portion of treatment.

If the insurance has not made their payment after 30 days of the claim being sent, we will supply the patient or guarantor with everything needed to contact their insurance in order to follow-up on their dental claim.

It is the mission of Dr. Lee, Dr. Kohler and every staff member that from the moment you step through our front door, you have the best dental experience possible. In order to achieve this, your help is required.

We are asking for everyone to help out and make sure their treatment is paid for in a timely fashion.

ANY BALANCE DUE AFTER 60 DAYS IS PAYABLE IN FULL FROM THE PATIENT WITHIN 10 DAYS OF NOTICE.
